A Definition of a Breeder

Cover Story pg 1

The Whelping Box pg 2

Show Calendar pg 3

A Breeder is the artist who chooses 2 dogs to be bred, after countless hours of looking at pedigrees and on the phone checking out health histories.

A Producer has 2 dogs, a male and a female (not always the same breed) he put together.

A Breeder spend a lot of money on health clearances and time running to the vet.

A Producer might have looked at the dogs first to make sure they were breathing.

A Breeder sat up all night while their bitch whelped, talking to her, giving her sips of water and food, keeping the area clean, and helping when necessary.

A Producer looks in the pen in the morning to see if the puppies are here yet.

A Breeder checks their puppies constantly for the first few days and nights.

A Producer pulls out the

dead pups and throws them away.

A Breeder handles and plays with their puppies several times a day.

A Producer puts food and water in once a day.

A Breeder checks their bitch over and over again. Is she hungry? Does she seem uncomfortable? Any swellings or funny discharges? Does she have milk?

A Producer checks to see if the bitch has milk.

A Breeder proudly holds up each puppy to see his conformation and delights in each new step.

A Producer hopes no one notices the odd shape of the puppy until 30 days after the sale.

A Breeder spends hours talking to prospective new puppy owners.

A Producer calls the "dealer".

A Breeder hopes the new owners call and tell them how the puppy is doing.

A Producer hopes the phone doesn't ring.

A Breeder will be their for the lifetime of the puppy.

A Producer has a new litter ready for the dealer.

WE ARE ON THE WEB!
www.miniatureschnauzerclubofmichigan.org

The objective of the Miniature Schnauzer Club of Michigan is to advance the principals and scientific practices in the breeding of purebred Miniature Schnauzers: foster co-operation between breeder, owner, and veterinarian; encourage the exchange of information and experience among the club members and between show-giving clubs; to conduct sanctioned and licensed specialty shows and matches; and to encourage the adherence to the high standards of conduct and to the rules and regulations of the American Kennel Club.

MSCM Fall Specialty Show September 26, 2014

It's that time again for our Fall Specialty Show. That time again to volunteer your services to help make this another successful show! As always, our lunch is a big hit. That wouldn't be possible without our members collectively providing all of the good food! So put on your aprons!!

Don't forget, volunteers are ALWAYS needed for setting up, cleaning up, and tearing down afterward, along with scores of other tasks.

Just ask where you can be of help!!

Come support your club! See you there!!
