The American Kennel Club is excited to announce the Pilot NOHS Regional Event program!

AKC Sports and Events is excited to announce a one-year pilot program for Regional NOHS Events. We are pleased to offer new and exciting events that showcase NOHS Exhibitors.

The AKC will approve up to eight all-breed clubs the honor of holding the first NOHS Regional Events around the country from September 19, 2024, through September 17, 2025. The period for the pilot program corresponds with the qualifying period for the 2025 AKC NOHS Finals in Orlando. NOHS points earned competing at the regional events will be double those earned at standard NOHS events and will count toward qualifying for the 2025 AKC NOHS Finals!

Regional NOHS events will be structured and judged in the same manner as the AKC National Owner-Handled Series Finals in Orlando. These events will consist of one class per breed for all dogs of a single breed or variety. Each Best of Breed or Variety winner will then advance to compete in its respective group, and the seven group winners will compete for the coveted award of Best in Show at a NOHS Regional. Selected Clubs are urged to hire judges that exceed the current minimum requirements for NOHS.

Fanny, Kacey & Midge tried out the Motor City Fox Terrier Club Earthdog practice last month.

The objective of the *Miniature Schnauzer Club of Michigan* is to advance the principals and scientific practices in the breeding of purebred Miniature Schnauzers: foster co-operation between breeder, owner, and veterinarian; encourage the exchange of information and experience among the club members and between show-giving clubs; to conduct sanctioned and licensed specialty shows and matches; and to encourage the adherence to the high standards of conduct and to the rules and regulations of the American Kennel Club.
